

## Parental Notification of Core Curriculum Requirements

December 4, 2018

Dear Parents/Guardians,

**HSA Dayton HS** believes that preparing students for post-secondary education, will position them for success in later life; In this regard, **HSA Dayton HS** is committed to increasing parent awareness about student college eligibility. Ohio Law (ORC 3313.603, ORC 3313.614) indicates that there is a consequence of graduation from high school without completing specified high school graduation requirements. Your child may not enroll most state universities in Ohio without completing the requirements for graduation.

Please feel free to contact me for any further questions

Respectfully,

Mr. Hakan-Principal

A handwritten signature in blue ink, appearing to read "Mr. Hakan", is written over a light blue horizontal line.

I have read and understood above statement regarding college eligibility of my students.

If I have further questions about the college eligibility criteria for my students, I understand that it is my responsibility to seek clarification from the School administration.
