Beyond Standards

December 6th, 2018

Dear Parents and Students,

Good morning from the College Guidance Counselor. I am excited to announce that this coming January 9th, 2019, from 5:00pm-7:00pm, Horizon Science Academy will be hosting a College Credit Plus Parent Information Night. A representative from Sinclair Community College, Mr. Todd Schilling, will deliver a presentation.

Mr. Schilling is in charge of coordinating school partnerships with the College Credit Plus program, and he will be detailing all of the ins and outs of applying for CCP, taking the entrance tests, signing up for classes, and more. This presentation is open to all parents of students, grades 9-12, who are interested in taking CCP classes in the summer or fall of 2019, or who just want to learn more about the program.

Again, **this event is on Wednesday, January 9th, 2019 from 5:00pm-7:00pm**. At the bottom of this form, you will find a section to RSVP. Please check the appropriate box, whether you intend to come or not, and sign. Have your child submit this to either their homeroom teachers, or to myself directly. **Students will receive credit for handing this form in with your response, as well as EXTRA CREDIT if a parent attends the event.** If you have any questions, comments, or concerns, please feel free to call or email using the contact information below.

We hope to see you there!

Sincerely,

Mrs. Rachel Logsdon, M.Ed.
College Guidance Counselor
