Beyond Standards

March 1, 2019

Dear Parent or Guardian,

Beginning April 8th, your child will participate in subject-area assessments that are mandated by the State of Ohio. These assessments are designed for your child to show what they have learned throughout the year. The results are used by the state to determine if your child is receiving an effective education and if they qualify for college/career programs. The testing dates are listed below. It is imperative that your child is present for both parts of each test.

April 1-5, 2019: Intense Test Prep (visit <https://oh.portal.airast.org/users/students-and-families.stml> for practice resources)

April 8, 2019: ELA Part I

April 10, 2019: ELA Part II

April 15, 2019: Math (middle school, Algebra I, and Geometry) Part I

April 17, 2019: Math (middle school, Algebra I, and Geometry) Part II

April 22, 2019: Government & U.S. History Part I

April 23, 2019: Government & U.S. History Part II

April 24, 2019: Science (8th grade) & Biology Part I

April 25, 2019: Science (8th grade) & Biology Part II

State tests are required for graduation. Students must earn at least 18 points on content area tests in order to receive a diploma. Thank you for continuing to work with us to make sure your child is successful. After-school tutoring is offered on Tuesdays and Thursdays. Please let us know if there is anything else we can do to better support your child. We want to prepare your child for a future full of opportunities.

Mrs. Demetria Hogan
RTI/Testing Coordinator
